1 Identification

- · Product identifier
 - · Product number PB10
 - Trade name: <u>NITRO SEALER WHITE</u>
 - · Application of the substance / the mixture For professional use

· Details of the supplier of the safety data sheet

- Manufacturer/Supplier: IVM Chemicals Srl
 Viale della Stazione 3 -27020 Parona (PV)Italy -Tel +39 038425441
- Information department: Environmental Health and safety office hseoffice @ivmchemicals.com
- Emergency telephone number: ChemTel Expert Assistance Hotline/SDS Fax Access by dialing 1-800-255-3924 or for International +1-813-248-0585.

2 Hazard(s) identification

Classification of the substance or mixture Flammable Liquids 2

Flammable Liquids 2H225 Highly flammable liquid and vapor.Eye Irritation 2AH319 Causes serious eye irritation.Carcinogenicity 2H351 Suspected of causing cancer.Specific Target Organ Toxicity - Single Exposure 3H336 May cause drowsiness or dizziness.

Specific Target Organ Toxicity - Repeated Exposure 2

H373 May cause damage to the hearing organs through prolonged or repeated exposure. Route of exposure: Oral, Inhalation.

· Label elements

GHS label elements
 The product is classified and labeled according to the Globally Harmonized System (GHS).
 Hazard pictograms

· Signal word Danger

- Hazard-determining components of labeling: ethyl acetate xylene ethylbenzene
- isobutyl acetate
- · Hazard statements

H225 Highly flammable liquid and vapor.

- H319 Causes serious eye irritation.
- H351 Suspected of causing cancer.
- H336 May cause drowsiness or dizziness.
- H373 May cause damage to the hearing organs through prolonged or repeated exposure. Route of exposure: Oral, Inhalation.
- · Precautionary statements
- P210 Keep away from heat/sparks/open flames/hot surfaces. No smoking.
- P241 Use explosion-proof electrical/ventilating/lighting/equipment.

4 First-aid measures

· Description of first aid measures

- · General information:
- Immediately remove any clothing soiled by the product.

Symptoms of poisoning may even occur after several hours; therefore medical observation for at least 48 hours after the accident.

- personal protective equipment for first aid responders is recommended. (please see section 8)
- After inhalation: Supply fresh air; consult doctor in case of complaints.
- · After skin contact: Immediately rinse with water.
- · After eye contact:

Rinse opened eye for several minutes under running water. If symptoms persist , consult a doctor.

- · After swallowing: Do not induce vomiting; immediately call for medical help.
- · Information for doctor:
 - · Most important symptoms and effects, both acute and delayed
 - For symptoms and effects caused by substances, refer to Section 11.
 - Indication of any immediate medical attention and special treatment needed No further relevant information available.

5 Fire-fighting measures

· Extinguishing media

- · Suitable extinguishing agents:
- Alcohol resistant foam
- Alcohol resistant foam, CO, powder, water spray/mist.
- · For safety reasons unsuitable extinguishing agents:
- Do not use a jet water stream as it may scatter and spread fire.
- · Special hazards arising from the substance or mixture

During heating or in case of fire poisonous gases are produced. In case of fire, the following can be released: Nitrogen oxides (NOx) Carbon monoxide (CO)

Advice for firefighters

Cool by spraying with water the containers to prevent product decomposition and the development of substances potentially hazardous for health and also, in the case of closed containers exposed to flames to prevent explosions.

· Protective equipment:

Hardhat with visor, fireproof clothing, suitable gloves and if necessary respiratory protective device.

6 Accidental release measures

• Personal precautions, protective equipment and emergency procedures Mount respiratory protective device.

15 Regulatory information

· Safety, health and environmental regulations/legislation specific for the substance or mixture

Requirements of Federal Register

· Various regulations

· SARA

· S	ection 355 (extremely hazardous substances):	
None of the	e ingredients is listed.	
• S	ection 313 (Specific toxic chemical listings) :	
1330-20-7	xylene	5-9.99%
67-63-0	propan-2-ol	2.5-4.99%
100-41-4	ethylbenzene	1-2.49%
110-82-7	cyclohexane	<0.025%
· TSC	A (Toxic Substances Control Act):	
All compor	nents have the value ACTIVE.	
· H	Iazardous Air Pollutants	
1330-20-7	xylene	
100-41-4	ethylbenzene	
-	osition 65	
-	Themicals known to cause cancer:	
I	itanium dioxide only in bound form	(Contd. on page 14
